(0.06 s[Sort by relevance](#) | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)Apparatus, system and method to transmit and display acquired well data in ...

US Pat. 6101445 - Filed Jan 25, 1999 - Schlumberger Technology Corporation

The first **file transfer** utility means may includes a first **file transfer** ... is identical to the first **read while write** module, a first data format **file** at ...Apparatus, system and method to transmit and display acquired well data in ...

US Pat. 5864772 - Filed Dec 23, 1996 - Schlumberger Technology Corporation

The first **file transfer** utility means may includes a first **file transfer** server ... which includes a first **read while write** module at the primary location, ...Reconfigurable cluster of data-entry terminals

US Pat. 4266271 - Filed Oct 10, 1978

The media microprocessor 62 applies **read**, **write** and cycle steal enable signals ... the **satellite** terminal, the program is transmitted from the diskette **file** ...Clustered terminals with writable microcode memories & removable media for ...

US Pat. 4468750 - Filed Jan 4, 1980 - International Business Machines Corporation

The printer adapter 68 is also connected to the strobe, **read**, **write** and ... 62 provides bus control and data **transfer** from the **satellite** terminals. ...All digital IDMA dynamic channel allocated **satellite** communications system ...

US Pat. 4625308 - Filed Nov 30, 1982 - American Satellite Company

The input an entry is made in the error log **file** 35046 and an error 10 to ... the DRV-1 IB occur for DMA **transfer** corn- are no outstanding **read** requests, ...System and method for backup and restoring by utilizing common and unique ...

US Pat. 6625625 - Filed Apr 4, 2000 - Hitachi, Ltd.

Therefore, a **read** apparatus and a **write** apparatus for a storage medium are network utilizing a communication **satellite** is utilized for the **transfer** of ...Cellular network-based location system

US Pat. 5519760 - Filed Jun 22, 1994 - GTE Laboratories Incorporated

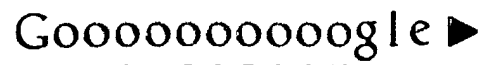

(4) MSL-ACDS interface (link "D") This is a **file-transfer** interface between ... an ethernet connection was used to transport the **file read- write** messages. ...Apparatus and method for transparent wireless communication between a remote ...

US Pat. 6418324 - Filed Sep 17, 1997 - PADCOM, Incorporated

At step 962, the position recording **file** is accessed from the network 10. Thereafter, at step 964, the recording interval is placed into a **read** buffer that ...Apparatus and method for intelligent routing of data between a remote device ...

US Pat. 6198920 - Filed Mar 16, 2000 - Padcom, Inc.

At step 962, the position recording **file** is accessed from the network 10. Thereafter, at step 964, the recording interval is placed into a **read** buffer that ...
